

**Ticket No.**

**Terms and Conditions:**

1. Only material that meets the classification as detailed above will be accepted under this arrangement.
2. Applicant must ensure that it's transport vehicles present at the weighbridge prior to unloading (weigh in) and re - tare out after unloading (weigh out).
3. Transport drivers must comply with all reasonable directions provided by CCR Recycling Pty Ltd staff. Failure to comply may result in cancellation of the application approval.
4. Cancellation of the Approval would be at the sole discretion of CCR Recycling Pty Ltd.
5. The only acceptable form of payment is cash, credit card or by pre approved account.
6. Applicants wishing to establish an account with CCR Recycling Pty Ltd need to complete an account application form and should allow a minimum of 5 working days for the application to be considered.
7. A minimum of 5 days notice is required in order to process the 'Application for the Disposal of VENM' form.
8. Upon completion, the 'Application for the Disposal of VENM' form must be faxed to CCR Pty Ltd at 02 6249 7581, or presented in person at gate 384 Pialligo Avenue Pialligo ACT for processing. Application form returns may be accepted by the weighbridge operator (depending verification of interim ticket).
9. Customers may not access the facility with the above material, until they have received a signed copy of this form marked "Approved" by CCR Pty Ltd. In addition, nominated vehicles will not be able to access the facility under this arrangement prior to Commencement date or after the completion date specified above.
10. The company listed below acknowledges and agrees that CCR will charge a removal fee of \$300 (incl GST) per tonne to remove material wrongly nominated by the contractor as VENM.
11. The company listed below acknowledges and agrees that in the event that the minimum tonnage of VENM is not delivered, or has not been received within the prescribed time frame that has been agreed on the front of this form, the Applicant will be liable for the full payment of the original agreed amount as described on the front page of this form.
12. The company listed below indemnifies the Territory, its employees and agents and Canberra Concrete Recyclers Pty Ltd, its employees and agents, against any liability in respect to the removal, clean up and remediation costs in the event that the material delivered under this agreement is subsequently identified after disposal as being unacceptable (that is, does not meet the VENM classification).
13. The company listed below acknowledges and agrees that in the event the material delivered is assessed as unacceptable and not removed by the Applicant within (5) working days, that Canberra Concrete Recyclers Pty Ltd may arrange for the removal of the material with all costs to be borne by the Applicant.
